Sewing Machine - bring your machine to class, but do not set it up until it is called for.

Classroom Store I will have available for purchase in the classroom a few of the supplies necessary for class: fusible interfacing (There is no product on the market at this time that I can recommend) and a few basic notions. Some of these items may be difficult to find at your local shops because their use may not have "caught-on" in all locales.

If you have any questions before class, please feel free to email: brenda@bearpawproductions.com

Kits Kits are available if desired. Please pre-ordered via my website at the following web page:

<http://www.bearpawproductions.com/store.php?cat=5>

Kits include all fabric for the quilt top, pattern, bias tape and interfacing. You will still need the other assorted supplies.
